ADVISORY NOTICE

MIC Penicillin, MLT00064

Dear customer,

Please be advised that in the product MIC penicillin, batch 2303077 has an incorrect placement of the printing (PEN) on the strips at microtiter plate. The printing is upside down, therefore ignore the printed layer and for correct positioning of the microtiter plate, focus on the standard naming of the rows A-H at the left side of the plate and the cut edge, which identifies upper left corner. See also right positioning in the picture below. Incorrect printing does not affect the functionality of the product.

Correct positioning for usage

Best regards,
